Issue	Recommendation
<p>Google 403 Error</p>  <p>403. That's an error.</p> <p>Error: app_not_enabled_for_user</p> <p>Service is not enabled for this user.</p> <p>Request Details</p> <p>That's all we know.</p>	<ul style="list-style-type: none">● Use your personal UP Mail* account when you login to Zoom. This is your @up.edu.ph email address● Login using Single Sign On (SSO), https://up-edu.zoom.us/ <p>*Not all UP Mail accounts have a Zoom account linked to it.</p>
<p>Cannot assign alternative host in webinar</p>	<ul style="list-style-type: none">● Alternative hosts needs to be assigned using their UP Mail accounts
<p>Cannot add a non-UP Mail alternative host</p>	<ul style="list-style-type: none">● Guests with no UP Mail account cannot be assigned as alternative host.● Add guest as panel member then change their role as co-host
<p>Cannot rename panelists, participants</p>	<ul style="list-style-type: none">● Guests cannot change their name. This feature is disabled by the Zoom administrator● Hosts and co-hosts can rename themselves and participants/attendees

<p>Co-hosts cannot rename participants/attendees</p>	<ul style="list-style-type: none">• When joining a webinar/meeting, open Zoom using the app 
<p>Cannot record breakout rooms</p>	<ul style="list-style-type: none">• Webinars' main page can be recorded in Zoom cloud or local computer• Breakout rooms will only be recorded in the local computer of the person recording it.• Hosts and co-hosts* can record main and breakout rooms• Hosts can give permission to guests to record breakout rooms <p>*open Zoom using app</p>
<p>Being kicked out of meeting, webinar or breakout room</p>	<ul style="list-style-type: none">• One possibility is that your Zoom is not up to date. Make sure you have the latest version
<p>Cannot upload/import .csv file of registrants in recurring webinar</p>	<ul style="list-style-type: none">• You can only upload registrants to single-occurrence (non-recurring) webinars. <p>Reminder</p> <ul style="list-style-type: none">• Only .csv file are allowed• CSV format: Email, First name, Last name

How to share the new Zoom whiteboard

The new Zoom whiteboard is a stand alone feature. You can use this outside of a meeting and/or a webinar.

- Install the latest version of Zoom
- Sign in to your Zoom account via app or web browser

How to View Whiteboards

- Select the whiteboards from the side menu
- To view your whiteboards, click the 'My Whiteboards'.
- Select the 'Shared with Me' to view those that have been with you.

How to Create Whiteboards

- Click New whiteboard to create a new whiteboard

How to Share Whiteboards

- Open the whiteboard you wish to share.
- Select the share button
- Type the email address you wish to share the board

Share and collaborate in whiteboards

- Open the whiteboard you want to share.
- Click the share button – copy the URL
- Go to the Zoom meeting room, click the chat button.
- Select everyone and paste the URL in the message box
- Go back to your whiteboard room you have created. Everyone can now see what you are doing and can collaborate with you.

	<p>How to annotate/add comments</p> <ul style="list-style-type: none">● On the settings screen, click the text bubble icon and place the icon where you want to make a comment <p>How to Save whiteboard content</p> <ul style="list-style-type: none">● On the settings screen (three dots on the upper right side), click export and choose PDF or PNG <p>Where does Zoom whiteboards saved</p> <ul style="list-style-type: none">● When you save your whiteboard, it will be placed in your Documents/Zoom folder
