Awareness and Extent of Utilization Among Faculty Members

DATE : 13 February 2025

As part of the mandates of the Interactive Learning Center Diliman (ILCD) under the Office of the Vice Chancellor for Academic Affairs (OVCAA), ILCD aspires for the mainstreaming of the development, application and promotion of interactive learning. Our mission includes helping in the development of faculty expertise in the use of technologies in teaching and learning. ILC Diliman aims to facilitate and supplement teaching and learning through the use of education technologies.

In line with this, we'd like to know more about your awareness and extent of use of Technology-Enhanced Personalized Learning (TEPL) as faculty members of the University of the Philippines Diliman.

Specifically, the survey aims to:

1. Assess faculty members' awareness of TEPL concepts and tools;
2. Identify the level of adoption of TEPL in teaching and learning practices;
3. Determine the challenges and barriers to implementing TEPL;
4. Gather insights on faculty needs for training and support for the adoption of TEPL in teaching.

Your feedback is invaluable to us. Your insights will help improve the integration of TEPL in UP Diliman and provide better support for faculty members in adopting innovative teaching methods.

We appreciate your time and cooperation in completing this survey. Thank you for your continued support and commitment to academic excellence.
