The Interactive Learning Center (ILC) Diliman, under the Office of the Vice Chancellor for Academic Affairs (OVCAA), is currently conducting a survey to better understand the experiences and needs of our faculty, staff, and students regarding the use of the University Virtual Learning Environment (UVLe).

UVLe is the university's official online learning management system, developed and maintained to support technology-enhanced teaching and learning. As part of our ongoing commitment to improving the platform and the services surrounding it, we are reaching out to gather your feedback on its usability, features, and areas for improvement.

We would greatly appreciate it if you could take a few minutes to respond to the survey. Your input will directly inform enhancements to UVLe, ensuring that it better supports your academic and instructional needs.

You may access the survey through the following link: <https://tinyurl.com/ytfxket8>

Thank you for your time and continued support in improving the university's digital learning environment.
