MEMORANDUM NO. ILCD MFRM 26 - 005

TO : Deans, Directors, Heads of Academic Units and Faculty Members

FROM :  **MIGUEL FRANCISCO M. REMOLONA, Ph.D**
Director

THROUGH :  **MARIA VANESSA L. SYDON, PhD**
Vice Chancellor for Academic Affairs

SUBJECT : **Scheduled DNS Update and URL Transition for UVLe Platforms**

DATE : **31 July 2026**

We would like to inform the University community that the University Virtual Learning Environment (UVLe) will undergo a scheduled DNS update from **August 4, 2026 to August 5, 2026** as part of the final phase of the University's transition to the new UVLe platform.

During this maintenance activity, the official domain names of the UVLe platforms will be updated as follows:

UVLe Version	Current URL	New URL
UVLe '22	https://uvle.upd.edu.ph	https://old-uvle.upd.edu.ph
UVLe '26	https://bagong-uvle.upd.edu.ph	https://uvle.upd.edu.ph

Please note that **nilinang-uvle.upd.edu.ph** will **remain accessible** and will continue to use its existing DNS configuration. No changes will be made to this service, and users may continue accessing it through its current URL throughout and after the DNS update.

During the DNS transition period, users may temporarily experience DNS propagation delays. If you encounter issues accessing UVLe after the update, we recommend waiting a few minutes before trying again or clearing your browser and local DNS cache.

The **CRS Integration** service may also be **temporarily unavailable** during the DNS update and transition period. A separate memorandum or advisory containing the maintenance schedule and additional information regarding the CRS Integration service will be released prior to the activity.

Upon completion of the DNS transition, the official URLs will be:

- UVLe '26 : <https://uvle.upd.edu.ph>
- UVLe '22 (Legacy) : <https://old-uvle.upd.edu.ph>

To assist users in preparing for the updated UVLe platform, **training materials, user guides, and tutorial resources** are available through the **Tutorial Courses** menu within UVLe. The University community is encouraged to review these resources to become familiar with the platform's features and enhancements before the DNS transition.

Additional information regarding the completion of the DNS transition and any further service updates will be announced through the Interactive Learning Center's official communication channels.

We appreciate your patience and cooperation as we continue improving the University's digital learning infrastructure and providing a more reliable and accessible learning environment for the UP Diliman community.
